LEARN-TO-SKATE is a group program for children aged 4 and up
LEARN-TO-POWERSKATE is an excellent supplement to skaters' hockey and Ringette activities. We recommend that participants have either completed at least CanSkate stage 2 or that they can perform forwards stops and backwards skating with a glide.
LEARN-TO-ADULTSKATE is a group learn to skate program for individuals 13 and older.
 All of our programs are taught by Skate Canada Certified Professional Coaches.
