LEARN-TO-FIGURE SKATE

This program is an introduction to figure skating taught in a group format by a Skate Canada Certified Professional Coach. It is recommended that skaters complete Stage 4 of the Learn-to-Skate program before moving into Learn-to-Figure Skate. This well balanced program includes both on-ice and off-ice sessions as well as practice ice for skaters to work on the skills they learn in their lessons. Skaters are encouraged to try out private lessons during their practice ice time.
