Learn-To-Figure Skate

This program is an introduction to figure skating taught in a group format by a Skate Canada Certified Professional Coach. It is recommended that skaters complete Stage 4 of the CanSkate program before moving up into Learn-to-FigureSkate. This well balanced program includes both on-ice and off-ice sessions as well as practice ice for skaters to work on the skills they have learned in their lessons. Skaters are strongly encouraged to try out private or semi-private lessons during their practice ice time.
